MESS (Mull & Iona Environmentally Sensitive Solutions) operates three charity shops 'Island Castaways' as part of our commitment to reduce waste and encourage re-use of items. Once the cost of operating the shops has been met, the profits are distributed to local community groups and also used to directly support the work of Mull and Iona Community Trust. Any voluntary group based on Mull, Iona or associated islands may apply to MESS for support. MESS funds cannot be allocated to private businesses or for party political purposes.
