

WHAT WE DO

Mull and Iona Community Trust is a dedicated and passionate locally based organisation focused on improving the quality of life for the residents of Mull and Iona. With a long track record of delivering successful community development projects, addressing problems of geographic isolation and economic and social exclusion in remote and rural communities. We take pride in working with many external organisations and crucially with our own community. We also offer funding to community groups twice a year.

WHY DO WE NEED MEMBERS?

The Mull and Iona Community Trust is a Charity and we rely greatly on the support of our members. There are over 300 individual members of the Trust, with many involved directly with project steering groups and volunteering. Mull and Iona Community Trust uses its membership to demonstrate the level of support we have for the work we do on the islands.
